Abstract:

Liturgical Vestements for Christian specialist is considered a fertile source , deserve flashing on it , for fashion designing field , to take advantage of it because it is considered a part of History of fashion .

Liturgical Vestements is changed between communities . Liturgical Vestements to Coptic Othodox for the deacon , priest and bishop include : Tunia , Epitrachelion , Turban , the vest , The Taylasan , the cape , The Gridle , Qasla , The Mitre . Liturgical Vestements to Romanian Orthodox for the deacon , priest and bishop include : Stichar ,zonarion , orarion , Pallium , The Sleeves , zenar , hagar, Avelonia , The Mitre , Saqos , Omophorion , Enqalopion . Liturgical Vestements for Rome Orthodox more decorative than Coptic Othodox .

Research Results : there are differences between Rome Orthodox vestements and Coptic Othodox vestements . of which 1 – Epitrachelion in Coptic Othodox church one piece but in Rome Orthodox church there are line in the middle make it two pieces . 2 – Avelonia in Rome Orthodox church is called burnes in Coptic Othodox church . 3 –zenar and the gridle , they have the same meaning . 4 – Zenar in Rome Orthodox like the Gridle in Coptic Othodox church it has the same meaning . 5- in Coptic church they didnt use sleeves now .
