Magazine Site

Publisher: The Arab Association for Civilization & Islamic Arts

The published opinions concern the attitude of their author, where it is not necessary to express about the magazine's attitude, so the Magazine is not responsible about such attitudes.

Stipulations of Publishing (For Researchers)

"Architecture, Arts & Humanistic Science Magazine"

Periodical – Scientific – Arbitral

Arbitration:

All the submitted researches for publishing shall be sent to specialists for arbitration according to the scientific principals. Researcher shall get final acceptance after author performing the required amendments by arbitrators. Although that, researchers shall be responsible about their researches' contents, as the published researches express about the attitudes of their authors not the magazine's attitude, and then, the Board of Editor shall not be responsible about them. All delivered researches shall be subject also to an initial checking by the Board of Editor to decide their competence for arbitration and the stipulated publishing rules, as it may reject the research's acceptance without giving reasons.

Terms of Publishing:

1. Magazine shall publish the original scientific researches in the fields of Architecture and Humanistic Science that are written whether in Arabic or in English.
2. Research mustn't be published or submitted before to any other magazine. Researches shall undertake that and to not being submitted for publishing to any other body till taking the reasonable decision in this regard.
3. Research mustn't be a part of a published book or any discussed thesis before.
4. Research or parts of it shall not be published in any other place after confirming its publishing in the Magazine of the Arab Association for Civilization and Islamic Arts unless after obtaining a written permission from the General Supervisor.

The author's permission to transfer all the publishing rights to the Magazine.

6. Author shall get just one version of the published edition of its research with ten received versions by him/her.
7. The delivered origin research to the Magazine shall not be returned whether were published or not.

The Requirements of the Submitted Text for Publishing:

1. Assure that the text has been studied completely, linguistic revised, free of any orthographic or grammar errors, and didn't breach any system of the intellectual property.
2. Researcher shall submit main title page in Arabic and English stating the study's title, author/authors' names, their full addresses, summarized biography (name, qualification, scientific grade, workplace and name, e-mail), with five to seven terminologies in both Arab and English (suggested keywords by the researcher) expressing about the study's content.

3. Researcher shall submit two abstract for the study in about 500 words, one in Arabic, and the other in English.
4. When typing the study it will use the font of (Arabic Simplified) as follows: Title: size (16) medium in the line and bold – author's name: size (14) medium in line – keywords: size (14) – text: size (12) – side titles: must be short and clearly specified in bold without numbers.
5. Side titles shall ne short and specified in bold without numbers.
6. Figures, tables and graphs shall be in high resolution in black and white and avoiding the heavy shadow.
7. Each table and figure will separately numbers, with short title for each of them to be typed below the table and figure, then to type the source below table or figure.
8. By using Microsoft Word (A4), study volume shall be about twenty pages or less, where ten pounds shall be paid against any additional page, as all pages shall have serial number.
9. Researches shall be arranged as follows: (Research title, abstract, the research, the research importance, the research goal, the research terminologies, the research method, the theoretical framework of the research, the precedent studies, the research procedures, conclusions' analysis and explanation, recommendations and suggestions, Arabic references & foreign references.

The required objects to be handed over:

1. Researched shall be submitted printed in a copy according to the required text to be published.
2. Author shall submit an electronic version of the research with Microsoft Word, where the electronic version can be satisfied.
3. Researcher shall attach his/her biography including his/her name in both Arabic and English, his/her current workplace (university & faculty), with his/her academic and scientific ranks and the important researches.
4. Research handing over message.
5. Publishing confirmation.

Researches shall be sent to the following email: aacia@aaciaegypt.com
