Publisher: The Arab Association for Civilization & Islamic Arts

The published opinions concern the attitude of their author, where it is not necessary to express about the Journal's attitude, so the Journal is not responsible about such attitudes.

Stipulations of Publishing (For Researchers)

"Journal of Architecture , Arts and Humanistic Science"

Periodical – Scientific – Arbitral

Arbitration:

All the submitted researches for publishing shall be sent to specialists for arbitration according to the scientific principals. Researcher shall get final acceptance after author performing the required amendments by arbitrators. Although that, researchers shall be responsible about their researches' contents, as the published researches express about the attitudes of their authors not the Journal's attitude, and then, the Board of Editor shall not be responsible about them. All delivered researches shall be subject also to an initial checking by the Board of Editor to decide their competence for arbitration and the stipulated publishing rules, as it may reject the research's acceptance without giving reasons.

Terms of Publishing:

- Journal shall publish the original scientific research in the field of Architecture and Art that are written in Arabic or in English The abstract should be presented in English (**Certified translation**) as (5) pages, including the problem, objective, importance, research methodology, scientific experiments, tables, results and references.
- The research must not be published or submitted to be published in any other Journal. That, Researcher undertakes such condition and to not submit it to another entity till taking the proper decision in that regard.
- The research must not be a part of a published book or thesis that have been discussed before.
- The research can't be published, or publishing any of its part in any other place, after permitting its publishing at the Arab Association for Islamic Civilization and Art Journal, unless after obtaining a written consent from the General Supervisor.
- The author's permission to transfer all the copyright to the Journal.
- The origins of the delivered researches to the Journal shall not be returned, whether they were published or not.
- The research will be submitted to a program to check for plagiarism before sending to be arbitrated; In case of more than 25%, plagiarism the research would be sent back to the author.
- Write references in "Chicago" or "Franco" way.

The Requirements of the Submitted Text for Publishing:

1. Assure that the text has been studied completely, linguistic revised, free of any orthographic or grammar errors, and did not breach any system of the intellectual property.
2. Researcher shall submit main title page in Arabic and English stating the study's title, author/authors' names, their full addresses, summarized biography (name, qualification, scientific grade, workplace and name, e-mail), with five to seven terminologies in both Arab and English (suggested keywords by the researcher) expressing about the study's content.
3. Researcher shall submit two abstract for the study in about 500 words, one in Arabic, and the other in English.
4. When typing the study it will use the font of (Arabic Simplified) as follows: Title: size (16) medium in the line and bold – author's name: size (14) medium in line – keywords: size (14) – text: size (12) – side titles: must be short and clearly specified in bold without numbers.
5. Side titles shall ne short and specified in bold without numbers.
6. Figures, tables and graphs shall be in high resolution in black and white and avoiding the heavy shadow.
7. Each table and figure will separately numbers, with short title for each of them to be typed below the table and figure, then to type the source below table or figure.
8. By using Microsoft Word (A4), study volume shall be about twenty pages or less, where ten pounds shall be paid against any additional page, as all pages shall have serial number.
9. Researches shall be arranged as follows: (Research title, abstract, the research, the research importance, the research goal, the research terminologies, the research method, the theoretical framework of the research, the precedent studies, the research procedures, conclusions' analysis and explanation, recommendations and suggestions, Arabic references & foreign references.

The required objects to be handed over:

1. Researched shall be submitted printed in a copy according to the required text to be published.
2. Author shall submit an electronic version of the research with Microsoft Word, where the electronic version can be satisfied.
3. Researcher shall attach his/her biography including his/her name in both Arabic and English, his/her current workplace (university & faculty), with his/her academic and scientific ranks and the important researches.
4. Research handing over message.
5. Publishing confirmation.

Researches shall be sent to the following email: aacia@aaciaegypt.com

Or to the following address:
